

All designs and files on this site are provided under the following license terms:

## Direct individual use only

- You may download, print, and use my designs for your own individual use.
- You may not share, distribute, or repost my designs or files from this site in any way. Please.

## Sharing with friends: links only

Please share links to my site, printables, makerworld, discord. Do not share STL design renders with others. Keep them forever, print for yourself as many times as you'd like.

## Printing for others: noncommercial

You may print my designs noncommercially for a friend or two, that's totally fine. Do let me know how it goes and refer them to my work! You may not sell my designs or prints of my designs.

## No Reposting

- No reposting my designs on any other platforms, sharing sites, public or private groups, etc.
  - Please only send links to my work.
- Sharing links means that it includes
  - The ability to adjust parameters for each user's needs
  - Documentation for printing, license, etc.

## Remix Policy

- Editing for individual-use is perfectly fine. Sharing that is not without authorization.

- Publicly posting remixes of my designs is prohibited without authorization.
  - Chances are that I already make the thing you're looking for.. so:
- Please reach out [on my discord](#) before making/posting a remix.
- Some remix designs are great and I'll be your first ♥

## License: Standard Digital File License

All files, designs, and content on this site are under the Standard Digital File License.

You shall not share, sub-license, sell, rent, host, transfer, or distribute in any way the digital or 3D printed versions of this object, nor any other derivative work of this object in its digital or physical format (including - but not limited to - remixes of this object, and hosting on other digital platforms). The objects may not be used without permission in any way whatsoever in which you charge money, or collect fees.

As with any license: any usage not explicitly permitted is prohibited and falls under copyright law.'
